A	areola colors		
9883		BABY LIPS/AREOLA For very fair clients with soft, pale areola color. Use to soften border of inner color Nude Lip Mix.	
9101		NUDE LIP/AREOLA MIX Best areola color in most women. Lighten with Neutral Flesh.	
9167		NEUTRAL FLESH Use for highlighting above nipple and to tint colors to lighter color.	
8954		AREOLA CREME Very Pale areola color for highlights.	
8952		AREOLA RED	
9247		AREOLA PINK More color than appears through the bottle. Nice soft pink color.	
8953		AREOLA CHOCOLATE (+++) Darkest Areola color	
114		BronZ Gold Brown Warm to Neutral, A pure golden brown with no dark undertones.	
9133		NATURELLE Warm, natural areola color.	
9134		Kiss Me Add as final color over NUDE.	
4400		BUBBLEGUM Warms/lightens colors.	
472		Brown Sugar Use to shadow beneath areola (half moon). Good mixing color.	
9788		Perfect Flesh Use to highlight nipple and also helpful for a mixing color. Good for blending & softening outer border of areola.
